EDUCATION

DOCTOR OF HEALTH SCIENCE

August 2017-Present

University of Indianapolis, Indianapolis, Indiana

Program Focus: Leadership, pedagogy, advocacy, and scholarship

Dissertation: *Perceptions of Learning Lab Continuing Education for Athletic Trainers*

Relevant Coursework: Foundations of Adult Learning, Leadership and Professional Development, Instructional Design and Delivery, Curriculum Development and Assessment, Designing an Online Course, Development and Evaluation of Health Programs, and Leadership in Health Professions

MASTER OF SCIENCE IN EDUCATION

2011

Old Dominion University, Norfolk, Virginia

Major: Physical Education **Concentration:** Athletic Training

NATA Accredited Post-Professional Athletic Training Program

Program Focus: Lower extremity injury management, evidence-based practice, and athletic training education

Thesis: *Perceptions of Post-Professional Athletic Training Education Program Graduates Related to Program Content and Competency*

BACHELOR OF ARTS

2009

North Central College, Naperville, Illinois

Major: Athletic Training **Minor:** Psychology

PROFESSIONAL ACADEMIC EXPERIENCE

COORDINATOR OF CLINICAL EDUCATION

August 2016- Present

North Central College, Naperville, Illinois

- Develop and assess clinical education experiences for students in the undergraduate and Master of Athletic Training program, including on and off-campus clinical experiences and capstone/immersive experiences
- Develop simulations and standardized patient encounters for courses and clinical experience
- Create in-person and online programming to mentor and support preceptors
- Assist the Program Director with managing the programmatic and educational standards
- Completed the CAATE comprehensive review process during the 2016-2018 academic years and Substantive Change during the 2018-2019 academic year; assisted with the transition of the curriculum from a 10-week, 3 credit hour structure to a 16-week, 4 credit hour structure
- Social media coordinator for the MAT program (Instagram, Twitter, and Facebook)

ASSISTANT PROFESSOR OF ATHLETIC TRAINING

December 2011-Present

North Central College, Naperville, Illinois

Contemporary Expertise: Orthopedics, urgent and emergent care, and primary care

Successfully Completed RNTT 6th Year Review, 2023

Assistant Professor of Kinesiology, September 2018-August 2019

Instructor of Kinesiology, September 2017-August 2018

Instructor of Health and Physical Education, October 2012-August 2017

Adjunct Instructor of Health and Physical Education, December 2011-October 2012

Courses Currently Teaching

- MATR 500: Clinical Experience in Athletic Training I
- MATR 505: Clinical Experience in Athletic Training II
- MATR 515: Foundations of Athletic Training
- MATR 540: Diagnosis and Management for Athletic Trainers II: Lower Extremity and Spine Injuries and Conditions
- MATR 550: Medical Aspects of Athletic Training
- MATR 600: Clinical Experience in Athletic Training III (Online)
- MATR 605: Clinical Experiences in Athletic Training IV (Blended)

- MATR 610: Clinical Experiences in Athletic Training V: Immersive (Online)

Courses Previously Taught

- KIN 147: First Aid
- KIN 156: Medical Terminology (Online)
- KIN 157: Acute Care and Management
- KINE 220: Clinical Experience in Athletic Training I (Blended and In-Person)
- KIN 225: Introduction to Athletic Training I
- KIN 247: Human Anatomy
- KIN 299: Medical Terminology (Independent Study)
- KIN 325: Introduction to Athletic Training II
- KINE 330: Clinical Experience in Athletic Training II (Blended and In-Person)
- KINE 340: Lower Extremity and Spine Injury Evaluation
- KINE 440: Clinical Experience in Athletic Training III (Blended and In-Person)

CO-INSTRUCTOR

2010-2011

Old Dominion University, Norfolk, Virginia

Courses Taught

- ESPER 340: Advanced Prevention and Care of Injuries Related to Physical Activity
- HE 224: Advanced First Aid and Emergency Care

PROFESSIONAL CLINICAL EXPERIENCE

ATHLETIC TRAINER

2011-2015, 2022-Present

Athletico, Oakbrook, Illinois

- PRN athletic trainer from October 2012-September 2015 and September 2022- present

- **Arman, TS,** & Catalano, NA. *Implementation of Ankle Disablement Model*, Presenter, Old Dominion University Clinical Preceptor Meeting, May 2010, Norfolk, VA.
- **Arman, TS.** *The "L" Word*, Presenter, Illinois Athletic Trainers Association Annual Symposium, November 2009, Lisle, IL.

Research

Current Projects

- *Perceptions of Learning Lab Continuing Education for Athletic Trainers: A Qualitative Study*
 - Data Collection

2022-2023

- Undergraduate Honor's Thesis Second Reader: Victoria Monte
 - *The Mythology of Baseball: How the New York Yankees Used the American Dream to Achieve Cultural Ubiquity*
 - Oral presentation at 2023 NCUR and Rall Symposium for Student Research
- Graduate Research Project: Stefanie Podock
 - *Extracorporeal Shockwave Therapy for the Treatment of Plantar Fasciitis in the Physically Active: A Critically Appraised Topic*
 - Poster presentation at the 2023 GLATA Annual Meeting and Symposium and Rall Symposium for Student Research
- *Experiences with Discipline-Specific Writing Instruction for Pre-Health Undergraduate Majors*
 - Presented at ACCA Scholarship of Pedagogy Symposium with Dr. Maratha Cammarata

2021-2022

- Graduate Thesis: Greg Garofalo, ATC (University of South Florida)
 - *Policy and Procedure Effectiveness on Quality of Health Care*
- Graduate Capstone Project: Monica Donald, ATC
 - *Anterior Cruciate Ligament Injury Screening*
- Undergraduate Honor's Thesis Second Reader: Marina Ibrahim
 - *Trauma-Informed Training in Undergraduate Students Pursuing Careers in Healthcare*
 - Oral presentation at 2022 NCUR and the Rall Symposium

2020- 2021

- Undergraduate Research Project: Meagan Brakob
 - *Athletic Trainer Preparedness for Mass Trauma and Causality Events*
- Undergraduate Research Project: Kayla Pisauro
 - *Athletic Trainer Preparedness for Treating Patients in Mental Health Crisis*
 - Oral presentation at the Rall Symposium
- Graduate Capstone Project: Joe Geraci
 - *The Health Care System and Data Interoperability*

2018-2019

- Undergraduate Research Project: Mary Chapman
 - *Suboccipital Release and Hamstring Length*
 - Submitted for presentation at NCUR; Poster presented at the Rall Symposium

2016-2017

- Graduate Capstone Project: Michelle Lazowski, ATC
 - *Prevention of Anterior Cruciate Ligaments in Female Soccer Athletes*
- Graduate Capstone Project: Robert Smith, ATC
 - *Sustainability Practices in Athletic Training*
- Undergraduate Honor's Thesis Director: Morgan Mason
 - *Longevity in Athletics: Can Sport Specialization Change the Game?*
 - Poster presentation at NCUR; oral presentation at the Rall Symposium
