Part 2 requires you to report on results of your institution's survey. For all questions in this section, *only report results based on the subset of participants who completed at least the Sexual and Gender Harassment Module or a question after it.* That means participants must have completed through question 33 from the base survey ("33. Many people choose not to tell anyone about experiences of sexual misconduct. This is a very normal response. What led you to choose not to tell anyone about your experience?") or a question after it.

Certain questions were modifiable by institution. These are denoted by two asterisks(). For these questions, you will need to report both the responses you used on your institution's survey, and the number of participants that gave each response.**

Note that the numbering in the reporting template may not match the numbering in your survey, particularly if your institution did not complete the consent module. Please enter data based on the wording of the survey question, and not the question number.
