Personal Statement:

I would like to get some research experience as it will look good on my CV when I apply to medical school. I am a very hard worker who will work very hard for you. As I have always wanted to work with animals, I will be an excellent fit for your lab.

Education and Qualifications:

Long Spring Elementary School
Middlebury Middle School
Naperville East Central High School
Classes at NCC
 English 180
 Religion through the world 200
 Political Science 150
 Intro Biology 151
 Math 150

Job Experience:

Babysitting 2013-2015
Cashier at Jewel Osco 2015-present
Editor on High School Newspaper 2015-2016
IHOP server 2016 summer

Research Experience:

None

Hobbies: Swimming, hanging out with friends, basketball

Personal qualities: Energetic, enthusiastic, optimistic, funny, responsible.
