

## Income Verification Form

Student Name: \_\_\_\_\_

Student ID: \_\_\_\_\_

### Section A: Tax Filer Information

Complete this section if the student/spouse and/or parent of record (parent on FAFSA) filed or will file a 2023 IRS income tax return(s). As part of federal student aid eligibility, students, spouses (as appropriate), and/or parents, will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse or parent(s) of record filed separate 2023 IRS income tax returns, all must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

Student/Spouse (as appropriate)	YES	NO	Parent(s) of Record	YES	NO
Did the student file a 2023 federal tax return?	YES	NO	Did the parent of record file a 2023 federal tax return?	YES	NO
